Dear Friend of the Center,

On behalf of the Center for Theater Arts board of directors, students, teachers, and volunteers I would like to thank you for your generous contribution to our 30th anniversary fundraiser, *Top Hat and Pearls 2011*. This year's evening at The Hilton Garden Inn Southpointe was a great success thanks to the support of the Center's many friends and donors.

The funds raised from *Top Hat and Pearls* support the Center's scholarship program, outreach performances and classes, and musical theater for students with special needs. Your contribution was an important part of our event and very much appreciated.

In accordance with IRS regulations governing charitable contributions no goods or services were provided in return for your contribution. The official registration and financial information of the Center for Theater Arts may be obtained from the Pennsylvania Department of State by calling toll-free within Pennsylvania 1-800-732-0999. Registration does not imply endorsement. (PA Act 202).

Thanks to your help we look forward to a successful year of performing arts programs for the children and families in our community.

Sincerely,

William Hartung

Greetings Three Rivers Table Donor!

As we embark upon a new year, I want to take this opportunity to *thank you* for making a difference in the lives of others.

In 2005, Three Rivers Table distributed more than **430,000 pounds** of prepared & perishable food to non-profit agencies within Allegheny County who serve food to needy people. This would not have been possible without the generous support of our donors.

Your contribution means more than you may realize. It's not just food for our neighbors in need – it's a ray of hope, a bit of encouragement, and possibly, just knowing that others care that could inspire someone to change their life for their better.

Enclosed you will find a few tokens of our gratitude:

- A Three Rivers Table window decal – a great way to let people know that you support the Greater Pittsburgh Community Food Bank!
- A 2006 wall calendar – 12 months at a glance!

We look forward to continuing our relationship in the year to come. For those of you who we have not heard from in a while, we would love the opportunity to work with you again. If you are interested, please contact me at your earliest convenience.

May 2006 bring you much health and happiness!

Thank you for caring!

Linda Thimons
Three Rivers Table Manager

P.S. As we prepare for another rewarding year, we'd like to hear from you. In an effort to improve the Three Rivers Table program, please complete the enclosed survey and return it to me at your earliest convenience. Thank you in advance for your cooperation!

On Wednesday, June 8th, the Brentwood Business Owners Association held its 3rd annual BBOA Night at PNC Park. And like in previous years, we held a tailgate party prior to game in the Brentwood Towne Square parking lot. The party was enjoyed by over 400 members of the business community and Brentwood residents.

These events showcase Brentwood and the cooperative relationship among the business community, residents, and the local government. We use these events to help fund numerous projects to benefit Brentwood Borough. For a complete list of the BBOA's accomplishments over the past few years and photos from the event, we invite you to visit our website at www.BBOAonline.com.

We've experienced much success in our short history, but we could not have accomplished anything without the support of our friends in the business community. Because of your generous donation to our event, you share in our success and the positive impact we've had in the Brentwood community.

We thank you for your generosity and continued support.

Sincerely,

Dear Mr. Palatucci:

Thank you for your generous donation of food for our Chow Chow Luncheon benefiting the Children's Hospital Free Care Fund. We served between 550-575 guests.

It is because of your willingness to participate, that no child is ever turned away from Children's Hospital due to their inability to pay.

Sincerely,

Dear Victor and Tony,

On behalf of the Muscular Dystrophy Association and the families we serve we would like to thank you for your support of Muscle Team® 2005. The event was a great success raising a total of \$86,000. This could not have been accomplished without the support that we received from you. Thank you for the donation of 2 ice sculptures. They were amazing and added to our premier event.

The monies raised by this event will go to help families with neuromuscular diseases in Pittsburgh and surrounding areas with items such as camp, clinic, equipment and vital research that will eventually lead to finding cures. We hold numerous events throughout the year, but Muscle Team® is definitely the largest event of its kind and is guaranteed to be an annual event that will continue to grow each year.

Thank you for all of your hard work and dedication to MDA. We look forward to working with you again at Muscle Team® 2006.

Dear ,

Re: 2006 United States Steel Corporation United Way Campaign Kickoff

I am writing to thank you for the gift certificate for the Birthday Party Package for the United States Steel / United Way Party on the Plaza, that was held on Friday, September 15, 2006. The party was a huge success, raising more money than any previous year and your contribution helped to make it so.

While the Party on the Plaza provided fun and excitement for all who attended – and prizes for many – it also served a more significant purpose; raising funds for the United Way and the people who look to them for help.

On behalf of everyone from U. S. Steel and the United Way, thanks again for your valuable support.

Very truly yours,
